The child allowance in 2020 is **EUR 60**.

This amount is increased by EUR 102.50 for the calendar month in which the dependent child enters the first year of primary school for the first time.

The amount of the child allowance is revised on 1 January of every calendar year by the coefficient adjusting the minimum subsistence level and is rounded to the nearest euro cent.

The Ministry of Labour, Social Affairs and Family announces the new amount of the allowance by issuing a ministerial measure, the full text of which is published in the Collection of Legislative Acts of the Slovak Republic by 31 December of the calendar year.
