English > Coordination of social security systems > Official documents > Portable document

Portable document

A <u>portable document</u> is a document issued by a social security institution for the needs of a citizen. Each document relates to an individual person (or, where applicable, their family members) and contains their name(s) and other identifying information. The social security institution will duly mark, sign and validate the said document. Portable documents and other documents can be found on the European Commission's website in the <u>Document database</u> section.
